

Size guide:

1/4 inch

Print on A4 paper

Print Your Own kai**bot** Christmas wraps

Instructions

1. Print out the wraps on to A4 paper, you can use the square guide to check the sizing.
2. Cut around the body wrap. Don't forget to cut along the dotted lines too.
3. Fold at the solid lines to help the wrap shape better around your KaiBot.

Friendly reminder:

Younger kids, please ask an adult to help you with cutting. Be safe!

Take pics & share your KaiBots using
